

## 1] Cable Glands :

- 1) Gland Selection Chart : <http://bracoworldwide.com/gland-selection.aspx>
- 2) Single Compression Brass Cable Glands : <http://bracoworldwide.com/singel-c-gland.aspx>
- 3) Double Compression Brass Glands : <http://bracoworldwide.com/double-c-gland.aspx>
- 4) Flange Type Brass Cable Glands : <http://bracoworldwide.com/flange-type-glands.aspx>

## 2] Terminals /Lugs

- 1) Copper Crimping Rings Terminals/lugs (Non insulated /insulated) : [http://bracoworldwide.com/terminals\\_lugs.aspx](http://bracoworldwide.com/terminals_lugs.aspx)
- 2) Copper Crimping Ring Tounge Fork Terminals/ lugs : <http://bracoworldwide.com/c-c-r-fork.aspx>
- 3) Copper Crimping Pin Terminals /Lugs ( Non insulated and insulated ) : <http://bracoworldwide.com/c-c-pin.aspx>
- 4) Copper Crimping Fork Terminals/Lugs (Non insulated and Insulated ) : <http://bracoworldwide.com/c-ring-fork.aspx>
- 5) Open close soldering Type Copper Ring Terminal Lugs : <http://bracoworldwide.com/open-close-soldering.aspx>
- 6) Copper Crimping End Sealing Ferrules : <http://bracoworldwide.com/c-c-e-s.aspx>
- 7) Copper Crimping End Sealing insulated Ferrules : <http://bracoworldwide.com/c-c-e-s-insulted.aspx>
- 8) Snap on Terminals /Lugs : <http://bracoworldwide.com/snap-on-terminals.aspx>
- 9) Soldering Type Copper Terminals /Lugs { Light duty} : <http://bracoworldwide.com/s-t-c-light-duty.aspx>
- 10) Soldering Type Copper Terminals /Lugs { Light Duty} : <http://bracoworldwide.com/s-t-c-heavy-duty.aspx>
- 11) Soldering Type Weak Back Ferrules : <http://bracoworldwide.com/s-t-w-b-f.aspx>
- 12) Copper crimping terminals / Lugs for Aluminum conductor (Light Duty) : <http://bracoworldwide.com/c-c-t-a-c-light-duty.aspx>

13) Copper crimping terminals / Lugs for inspected Holes (Light Duty ) : <http://bracoworldwide.com/c-c-t-inspected-hole.aspx>

14) Copper crimping terminals / Lugs for inspected Holes for copper Conductor (Hevy Duty) : <http://bracoworldwide.com/c-c-t-inspected-hole-c-c-h-duty.aspx>

15) Copper crimping terminals / Lugs for copper conductors ( Long barrel):( <http://bracoworldwide.com/c-c-c-c-long-barrel.aspx>

16) Copper Tube in- Line Connector : <http://bracoworldwide.com/copper-tube-in-line-connect.aspx>

17) Copper Crimping Reducer Terminals /Lugs for Aluminum Conductor : <http://bracoworldwide.com/c-c-r-aluminium-conductor.aspx>

18) Aluminum Alloy Tubular Bi-Metallic Terminals / Lugs : <http://bracoworldwide.com/bi-metallic-terminals.aspx>

### 3]Crimping Tools

1) <http://bracoworldwide.com/crimping-tool.asp>

2) Hydraulic Crimping Tools : <http://bracoworldwide.com/hydraulic-crimping-tool.aspx>

3) Mechanical Crimping tools : <http://bracoworldwide.com/mechanical-crimping-tool.aspx>

4) Cable Cutter : <http://bracoworldwide.com/cable-cutter.aspx>

5) Hand Crimping Tools : <http://bracoworldwide.com/cable-cutter.aspx>
